DIGITAL LAW: human being in (Renain) essence

WHERE

Florence, ITALY

WHEN

To be confirmed

TUITION

To be confirmed

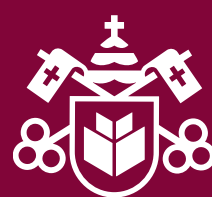

TUITION + ACCOMODATION

To be confirmed

The course intends to integrate the law, new technologies, the human being and, of course, all history of Firenze as cradle of *Renaissance*. We will deal with the new Technologies in Law under the perspective of the human being. Main themes are: contemporary society; privacy and personal data protection, artificial intelligence, blockchain, labormarket, hard and soft skills.

**APPLICATION FORM WILL BE
AVAILABLE ON MARCH 15, 2022**
