

PUCPR INTERNATIONAL

EXPERIMENTING BEYOND

PUCPR

GRUPO MARISTA

- Brazil has a continental dimension and is a very diverse country, considering climate, culture, and accents;
- Brazil is the fifth largest country in the world and the largest country in Latin America;
- Brazil is the sixth most populous country in the world, with over 214 million people (World Bank, 2021), most of whom are descendants of Indigenous Peoples, Europeans and Africans;

BRAZIL

- The current population is over 11.443.208 (IBGE, 2022);
- Bounded by the Atlantic Ocean, São Paulo, Santa Catarina, Mato Grosso do Sul, Argentina, Paraguay and the Paraná River;
- Home to the Araucaria forest, one of the world's most valuable subtropical forests;
- Home of the Iguaçu National Park, a UNESCO World Heritage Site;
- Hub of cultural and religious diversity, consolidated by centuries of coexistence of different ethnic groups.

PARANÁ

CURITIBA

- The current population is around 1.773.733 (IBGE, 2022);
- Model city for urban planning;
- Example to other cities for its creativity in urban design solutions and its technology in urban transport;
- The public transport system (Bus Rapid Transit) created in Curitiba in the 1970s has been exported across the globe.

- Memorials, churches and monuments dedicated to the immigrants;
- Extensive green areas and a diverse fauna and rich flora: 64.5 m² of green space per inhabitant;
- 45 Urban Parks and Woods;
- 75 Museums;
- 38 Theatres - “Curitiba International Theatre Festival”.

- “The Greenest city on Earth” (The Ecologist, 2014);
- “The Most Innovative City in the World” (Los Angeles Times, 1996);
- One of the 21 smartest communities in the world, and the only city in Latin America to enter the Intelligent Community Forum ranking (2022).

MISSION

*“The **Pontifícia Universidade Católica do Paraná**, guided by ethical, Christian and Marist principles, has as Mission the development and dissemination of knowledge and culture and the promotion of comprehensive and permanent qualification of citizens and professionals committed to life and to the progress of the society”.*

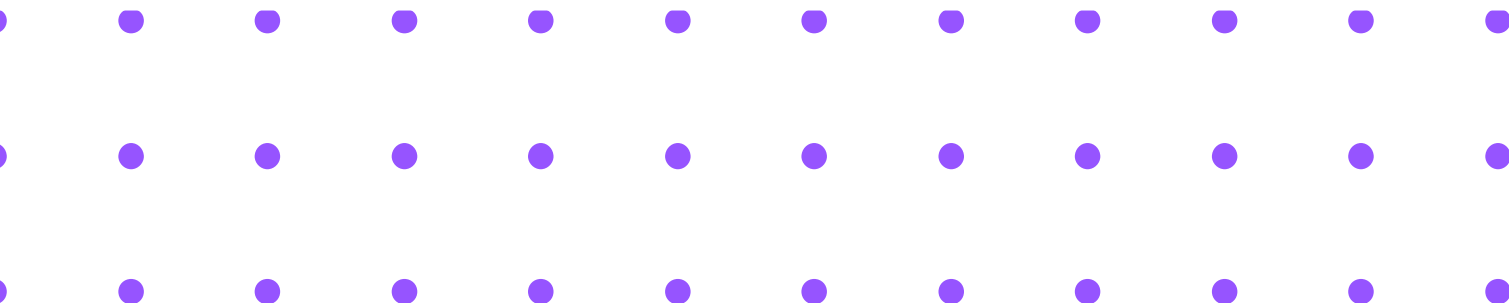

HISTORY OF PUCPR

- Founded in 1959 as the Universidade Católica do Paraná;
- In 1973, the Marist Brothers took over the administration of the University, and from that moment onwards, the University incorporated the principles and values of Saint Marcellin Champagnat, founder of the Marist Brothers Congregation.

HISTORY OF PUCPR

- In 1985, the Sacred Congregation for Catholic Education bestowed upon the University the title of **Pontifical**, recognizing its commitment to **quality, Christian values and solidarity**.

+ INCUBATOR

XR CENTER

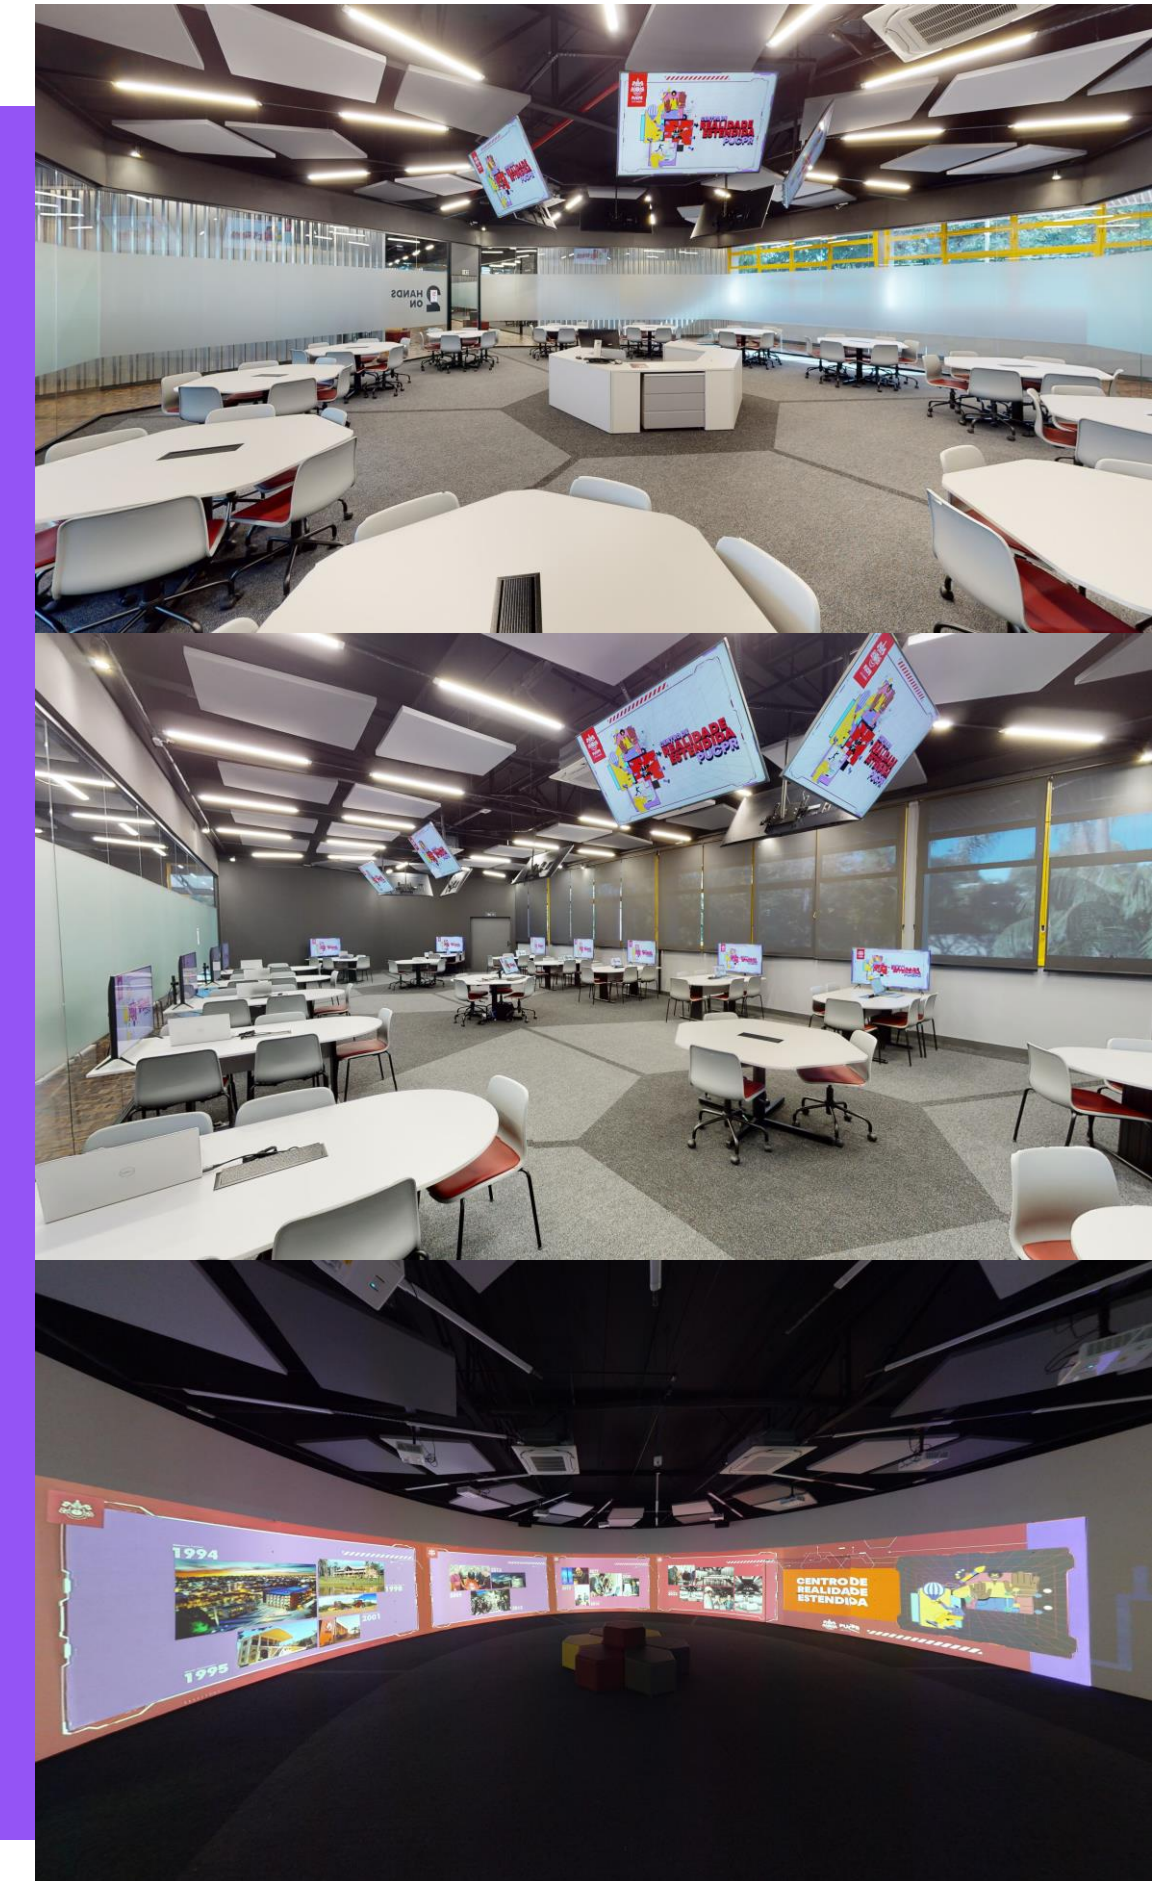

CENTRO DE REALIDADE ESTENDIDA

PUCPR IS PIONEER IN ESTABLISHING THE FIRST XR CENTER IN BRAZIL

This state-of-the-art facility spans 3000m² and is fully equipped to facilitate the development of virtual, augmented, and 3D reality projects.

Students from all 6 schools may participate in immersive experiences, such as:

- Virtual reality
- 3D printing
- Creation of virtual scenarios
- Mixed Reality

Aim at the **student's personal development along the path of culture and the arts**: *“Reveal Your Talent”*; *“Curitiba Music Workshop”*; *“International Biennial of Contemporary Art”*; etc.

PUCPR artistic fronts:

- Theater Group “TANAHORA”
- Champagnat Choir
- Experimental Orchestra

CULTURE

Art is everywhere at PUCPR!

In addition to the cultural spaces on the campuses, such as the “Centro Cultural Museu Universitário” and “Casa Estrela”, PUCPR has a collection of works of art spread over historic buildings and outdoor spaces.

The PUCPR Sports offers the following services and activities:

- Gym;
- Swimming;
- Water Aerobics;
- Crossfit;
- Fitness Circuit;
- Pilates;
- Tennis;
- Yoga and meditation.

SPORTS

COMMUNITY PROJECT: students develop social actions that allow immersion in different realities, gaining awareness of their role in society and contributing to social transformation.

- **Mechatronics Engineering**
- **Advertising**
- **Journalism**
- **Health Technology (Masters)**
- **Administration (Masters)**
- **Law (Masters)**
- **Philosophy (PhD)**
- **Systems and Industrial Engineering (PhD)**

Modalities for International Mobility

- Credit-based: 1 or 2 semesters;
- Culture/Language: 3 weeks during academic holidays;
- Short-term: 7 to 30 days;
- International internship.

Key differentials:

- Tuition exemption while abroad;
- Credit equivalence with no extra cost;
- Full institutional support - Mobility team.

Faculty member who acts as a key player for internationalization strategy

- Act as the liaison agent between the Rectory and the academic community;
- Contribute to designing the strategic internationalization plan of their academic units;
- Promote and implement internationalization actions;
- Provide support to the academic community of faculty, students and staff.

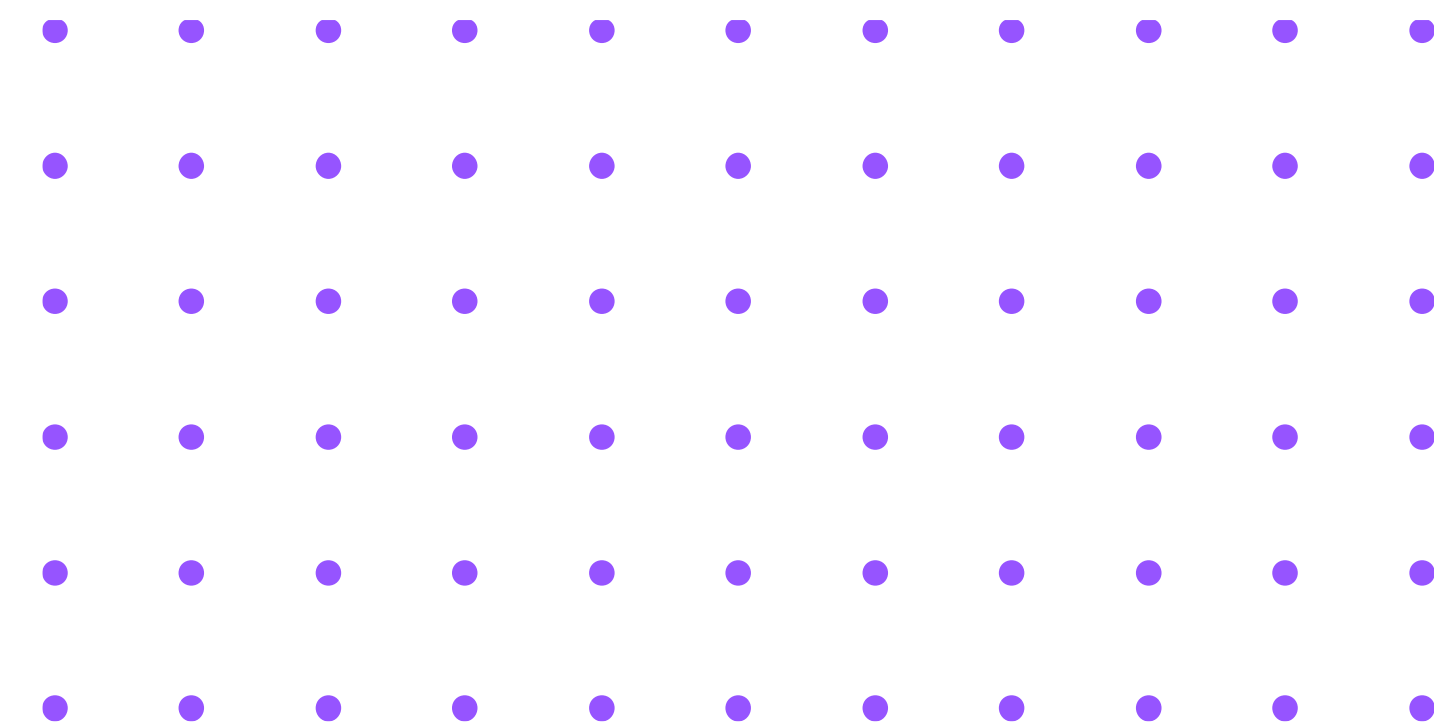

**AGENT FOR
INTERNATIONALIZATION**

- PUCPR is pioneer in introducing English as medium of instruction in Brazil, and has the largest number of courses taught in English;
- The GLOBAL CLASSES program offers academic courses conducted in a foreign language, from beginner to advanced level (level 1, 2 and 3);
- **LANGUAGES: English; Spanish; French; Italian; Hebrew; Greek and Japanese.**
- Offered to both international and local academic community.

GLOBAL CLASSES

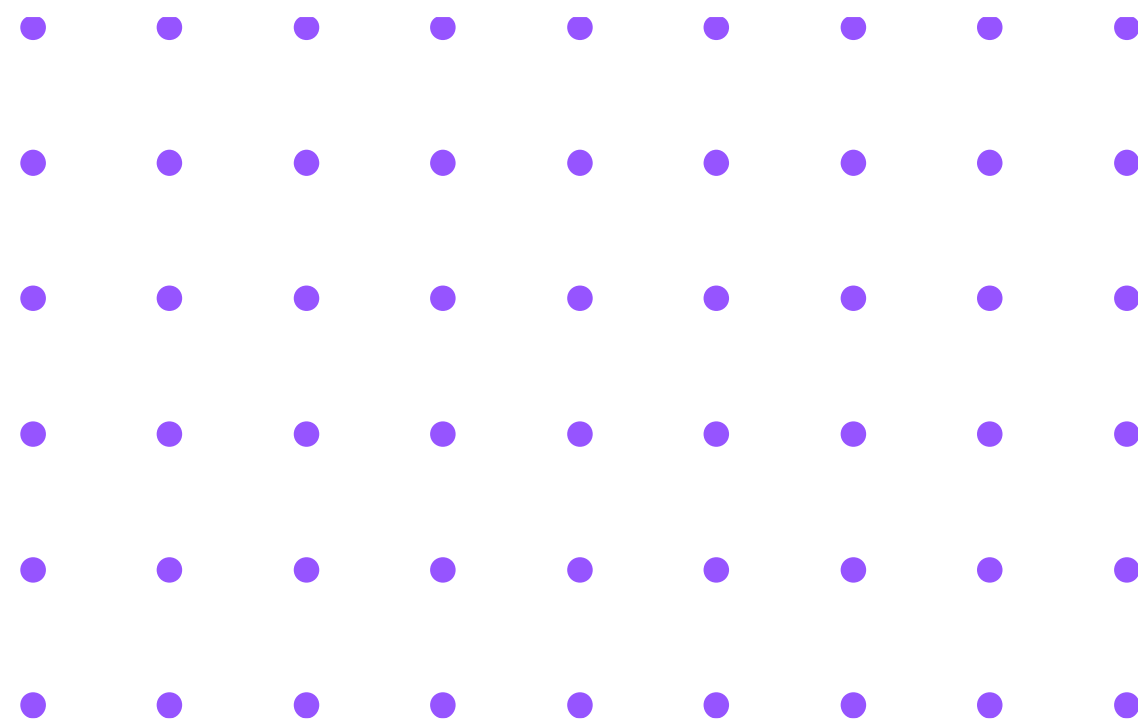

- PUCPR Summer Institute is now a possibility for students who wish to study abroad during the summer break, adding credits to your undergraduate program while exploring its headquarters surroundings.

- The PUCPR Summer Institute has two headquarters:

- ▶▶ Curitiba (Brazil) – JANUARY
- ▶▶ Florence (Italy) - JULY

[OFFICIAL WEBPAGE](#)

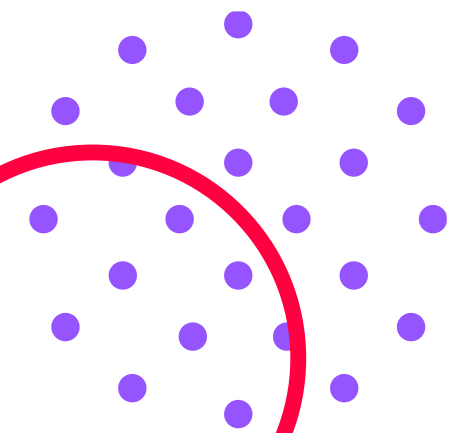

SUMMER INSTITUTE

- First initiative to offer Liberal Arts education in Brazil, following the North American model, in partnership with Kent State University;
- 2 years of LA education in Curitiba;
- After 2 years → option of staying in Curitiba or moving to Kent;
- Entirely in English with KSU professors.

- Promote internationalization of undergraduate and graduate programs;
- Enhance innovation and foster the relationship between university and industry;
- Promote excellence in teaching and learning and scientific research in accordance with the defined strategic areas;
- Be recognized as a socially-engaged institution.
